First Update:	10 January 2016
Ref No:	AM/OM/004
Revision Date:	06 Feb. 2023
Department:	Health, Safety and Environment
Facility:	Al Mouj Marina.

Purpose

The purpose of this procedure is to provide a clear protocol and method for our customers for dealing with fire in Al Mouj Marina

Responsibility

The best practices of fire prevention and response are a collective responsibility between customers and the Marina

IN THE EVENT OF FIRE:

- Activate the "Break Glass" Manual Call Point situated on all red SOS pedestals on each arm of the Marina and open the pedestal door. This will automatically trigger and sound a local alarm.
- Raise the alarm by telephoning **9999** to report the emergency and request ROP Civil defense to attend and the Marina at **96392323** or Al Mouj Security Duty Supervisor on **91393639**.

The Marina address is: Al Mawaleh North, Al Mouj Muscat

- Fight the fire **ONLY** if it is safe to do so, with the fire extinguishers provided.
- Evacuate the Marina.
- Go directly to the nearest "Assembly Point".
- The Marina Manager or his representative will
 - Shut off all electrical power to the fire area.
 - Shut down the fuel dock.
 - Move adjacent boats away from the fire area.
 - Move any vehicles that may obstruct fire fighting operations.
 -
- The Marina Manager or his representative will assign personnel to direct emergency responders to the location of the fire and remain available as an information resource.

Do not return to your vessel until the all clear has been given
